Fredericksburg, Va., Oct. 10.-In the suit of Howard W. Reeside, of

League of Voters Opposes Wadsworth, Brandegee, Moses and Penrose.

By CONSTANCE DREXEL.

The independence of women vot-s is being asserted in several Eastern States. The strongest op-position to any candidate is in New York State, where a group of wom-en voters, led by Miss Mary Garrett Hay, is fighting the re-election of James W. Wadsworth to the United States Senate. In this fight the States Senate. In this fight the New York City League of Women Voters is taking the lead. Mrs. Carrie Chapman Catt, a resident of New York and close friend of Miss Hay, is supporting Miss Hay in her

opposition.

In Connecticut, the Connecticut League of Women Voters is opposing the re-election of Senator Brandegee to the United States Senate. They are led by Miss Katherine Ludington.

In New Hampshire, a group of women ded by Miss Mary I. Wood, for many years a member of the national board of the General Federation of Clubs, is fighting the re-election of Senator Moses to the

And now comes a voice in Penn-sylvania against Senator Penrose. But no organized opposition has de-veloped, and the Senator is likely to sail into Congress again with little said against him. It is all little said against him. It is all the more to Mrs. J. Claude Bedford's credit, therefore, that she had the courage of her convictions. She is vice chairman of the Republican women's committee of Delaware county. At a meeting of the county committee women she asserted that while the women would support Senator Harding, in her opinion, they could not be held in line for the entire Republican ticket. "Any attempts to force the women into line simply on the basis of party regularity," she said, "would drive a number of new voters into the Democratic party." Democratic party.

### The Head Nurse -Says:-

The history of Camilla shows that sh weas taken over by the French because they have always had a fondness for nymph names. Florin first made the word popular by having a Camille figure in his romance of "Numa Pompilius."

The history of Camilla for little girls to be out." called a voice. "Give you a lift if you like." It was Warren Bradley's voice, and to her alarm, the machine slowed down at the curb. "Hello, there! Isn't it a bit late for little girls to be out." called a voice. "Give you a lift if you like." It was Warren Bradley's voice, and to her alarm, the machine slowed down at the curb. "Hello, there! Isn't it a bit late for little girls to be out." called a voice. "Give you a lift if you like." It was Warren Bradley's voice, in sin voice. "Give you a lift if you like." It was Warren Bradley's voice, and to her alarm, the machine slowed down at the curb. The history of Camilla shows that sh weas taken over by the French because they have always had a fondness for nymph names. Florin first made the word popular by having a Camille figure in his romance of "Numa Pompilius."

England adopted Camilla when the demand for classical names had reached its heighth after the Reformation. Italy likewise revived it as Camillo at a later date when classical names became popular there. France continued to find Camille popular and its vogue was estab-lished beyond doubt. Before the revolution America adopted Camilla, not from any fondness for classical names, but partially in the belief that it was a ower name and partially from the popularity of Dumas' story of the unfortunate "Lady of the Camellias." Camilla's talismanic gem is the moonstane which promises its wearer good fortune and success in love. Sunday is her lucky day and four

Sunday is her lucky day and four her lucky number. Yellow is her color, and, history to the contrary, the white camellia is her flower. (Copyright, 1920, by Wheeler Syndicate, Inc.) To Sell Steamer Majestic.
